---

**RESOLUTION**

**Offered by Commissioner DaPuzzo**

**No. 01-2014**

**Seconded by Commissioner Kelaher**

**Date: January 7, 2014**

**SERVICE CHARGES FOR SEPTAGE, SLUDGE AND GREYWATER**

**RESOLVED,**

**WHEREAS**, the Northwest Bergen County Utilities Authority (the "Authority") accepts greywater and septage for treatment from individual septic haulers and materials with a maximum of 12% solids for incineration from utilities authorities, municipalities, and other entities located outside of the boundaries of the district presently serviced by the Authority for treatment and disposal; and

**WHEREAS**, by Resolution dated May 3, 2006, the Authority established the following rates for the treatment and disposal of greywater, septage and materials with a maximum of 12% solids:

1. For greywater less than or equal to 2.6% solids - \$0.035 per gallon
2. For septage exceeding 2.6% solids but not greater than 4% solids - \$0.054 per gallon
3. For materials exceeding 4% solids - \$0.095 per gallon

**WHEREAS**, pursuant to the provisions of N.J.S.A.40:14B-23, the service charges to be imposed for the treatment and disposal of greywater, septage and materials with a maximum of 12% solids may be established only after a public hearing; and

**WHEREAS**, notice was properly given of a public hearing to establish new service charges to be imposed for the acceptance, treatment and disposal of greywater, septage and materials with a maximum of 12% solids; and

**WHEREAS**, a public hearing was conducted on January 7, 2014, at which time the Authority established the following rates for the treatment and disposal of greywater, septage, and materials with a maximum of 12% solids, such rates to be effective to January 1, 2014:

1. For greywater less than or equal to 2.6% solids - **\$0.035 per gallon**
2. For septage exceeding 2.6% solids but not greater than 4% solids - **\$0.054 per gallon**
3. For sludge exceeding 4% solids but not greater than 7.9% solids - **\$0.0725 per gallon**
4. For sludge exceeding 7.9% solids but not greater than 12% solids - **\$0.095 per gallon**
